The following is a summary of what we believe to be the most important aspects of our business and the offering of our securities under this prospectus. We urge you to read this entire prospectus, including the more detailed consolidated financial statements, notes to the consolidated financial statements and other information incorporated by reference from our other filings with the SEC. About Molecular Templates, Inc.

Molecular Templates, Inc. is a clinical-stage biopharmaceutical company focused on the discovery and development of targeted biologic therapeutics for cancer. Our proprietary biologic drug platform technology, known as engineered toxin bodies, leverages the resident biology of a genetically engineered form of Shiga-like Toxin A subunit (“SLTA”) to create novel therapies with potent and differentiated mechanisms of action for cancer.

To date, we have not generated any revenue from therapeutic sales and do not expect to generate significant revenue from the sale of our therapeutics in development in the foreseeable future. If our development efforts for our therapeutic candidates are successful and result in regulatory approval, we may generate revenue in the future from these sales. We cannot predict if, when, or to what extent we will generate revenue from the commercialization and sale of our therapeutic candidates. We may never succeed in obtaining regulatory approval for any of our therapeutic candidates.

2024 Private Placement

On July 12, 2023, the Company entered into a Securities Purchase Agreement with certain institutional and accredited investors providing for a private placement of up to \$40 million in gross proceeds to the Company in two tranches. The initial tranche consisted of the issuance of 2.84 million shares (as adjusted for the Company’s August 2024 reverse stock split) of Common Stock, or prefunded warrants in lieu thereof, for gross proceeds of approximately \$20 million. The initial tranche closed on July 17, 2023.

On March 28, 2024, the Company and certain institutional and accredited investors (the “Purchasers”) entered into an Amended and Restated Securities Purchase Agreement (as amended and restated, the “Securities Purchase Agreement”) pursuant to which the Company issued securities with an aggregate purchase price of \$9.5 million on amended and restated second tranche terms (the “Private Placement”). The Private Placement consisted of the sale and issuance of (i) 1,209,612 shares of Common Stock (and, in lieu thereof, Prefunded Warrants to purchase 2,460,559 shares of Common Stock) for a purchase price of \$2.35 per share of Common Stock (the closing price of the Common Stock on March 27, 2024 as reported by the Nasdaq Capital Market) and \$2.349 per Prefunded Warrant, and (ii) Warrants to purchase up to 7,340,342 shares of Common Stock (or Prefunded Warrants in lieu thereof) at an exercise price of \$2.35 per share of Common Stock or \$2.349 per Prefunded Warrant, in exchange for the payment of \$0.125 per share of Common Stock underlying the Warrants. The Warrants have a term of five years, and the Prefunded Warrants expire when fully exercised in accordance with their terms.

Under the terms of the Prefunded Warrants and the Warrants, a selling stockholder may not exercise the Prefunded Warrants or Warrants to the extent such exercise would cause such selling stockholder, together with its affiliates, to beneficially own a number of shares of Common Stock that would exceed 4.99%, 9.99% or 19.99%, as applicable, of our then outstanding shares of Common Stock following such exercise, excluding for

purposes of such determination shares of Common Stock issuable upon exercise of the Prefunded Warrants or Warrants which have not been exercised (the “Beneficial Ownership Limitation”); provided, however, that each selling stockholder may increase or decrease the Beneficial Ownership Limitation by giving 61 days’ notice to us, but not to any percentage in excess of 19.99%.

Pursuant to the Securities Purchase Agreement, the Company granted to the Purchasers certain registration rights, pursuant to which, among other things, the Company agreed to (i) file with the SEC a registration statement on Form S-3 after the second tranche to register for resale the Shares (and the shares of Common Stock issuable upon exercise of the Prefunded Warrants and Warrants) issued in the second tranche, within 30 calendar days following the second tranche closing, and (ii) use its commercially reasonable efforts to have the registration statement declared effective as soon as practicable, and in any event no later than 90 days following the second tranche closing date (or 120 days following the second tranche closing date if the registration statement is reviewed by the SEC).

The registration statement of which this prospectus is a part relates to the offer and resale of the shares of Common Stock issued to the Purchasers pursuant to the Securities Purchase Agreement in the closing of the second tranche that occurred on April 2, 2024, including the shares issuable upon exercise of the Prefunded Warrants and Warrants. When we refer to the selling stockholders in this prospectus, we are referring to the Purchasers named in this prospectus as the selling stockholders and, as applicable, any donee, pledgees, assignees, transferees or other successors-in-interest selling the shares of Common Stock received after the date of this prospectus from the selling stockholders as a gift, pledge, or other non-sale related transfer.

The securities issued in the Private Placement were issued and offered pursuant to the exemption from registration provided in Section 4(a)(2) of the Securities Act and Rule 506(b) promulgated thereunder.

Relationship with Selling Stockholders

As discussed in greater detail above under the section titled "Prospectus Summary-2024 Private Placement," in March 2024, we entered into the Securities Purchase Agreement with the selling stockholders, pursuant to which

[Table of Contents](#)

we sold and issued shares of our Common Stock, Prefunded Warrants and Warrants to purchase our Common Stock. Pursuant to the Securities Purchase Agreement, we also agreed to file a registration statement with the SEC to cover the resale by the selling stockholders of the shares of our Common Stock, including the shares of Common Stock issuable upon exercise of the Prefunded Warrants and Warrants, issued pursuant to the Securities Purchase Agreement.

Except as set forth above, none of the selling stockholders has had a material relationship with us or any of our predecessors or affiliates within the past three years, other than as a result of the ownership of our shares of Common Stock or other securities, and none of the selling stockholders has held any position or office with us or our affiliates within the last three years.

PLAN OF DISTRIBUTION

The selling stockholders, which as used herein includes donees, pledgees, transferees or other successors-in-interest selling shares of Common Stock or interests in shares of Common Stock received after the date of this prospectus from a selling stockholder as a gift, pledge, partnership distribution or other transfer, may, from time to time, sell, transfer or otherwise dispose of any or all of their shares of Common Stock or interests in shares of Common Stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These dispositions may be at fixed prices, at prevailing market prices at the time of sale, at prices related to the prevailing market price, at varying prices determined at the time of sale, or at negotiated prices.

The selling stockholders may use any one or more of the following methods when disposing of shares or interests therein:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- short sales effected after the date the registration statement of which this prospectus is a part is declared effective by the SEC;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale; and
- any other method permitted by applicable law.

The selling stockholders may, from time to time, pledge or grant a security interest in some or all of the shares of Common Stock, Prefunded Warrants or Warrants owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell such shares of Common Stock, Prefunded Warrants or Warrants, from time to time, under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholders also may transfer the shares of Common Stock, Prefunded Warrants or Warrants in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

In connection with the sale of our Common Stock or interests therein, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the Common Stock in the course of hedging the positions they assume. The selling stockholders may also sell shares of our Common Stock short and deliver these securities to close out their short positions, or loan or pledge the Common Stock to broker-dealers that in turn may sell these securities. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

Table of Contents

The aggregate proceeds to the selling stockholders from the sale of the Common Stock offered by them will be the purchase price of the Common Stock less discounts or commissions, if any. Each of the selling stockholders reserves the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of Common Stock to be made directly or through agents. We will not receive any of the proceeds from this offering. Upon any exercise of the Prefunded Warrants or Warrants by payment of cash, however, we will receive the exercise price of the Prefunded Warrants or Warrants.

The selling stockholders also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act of 1933, provided that they meet the criteria and conform to the requirements of that rule.

The selling stockholders and any underwriters, broker-dealers or agents that participate in the sale of the Common Stock or interests therein may be “underwriters” within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the shares may be underwriting discounts and commissions under the Securities Act. Selling stockholders who are “underwriters” within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act.

To the extent required, the shares of our Common Stock to be sold, the names of the selling stockholders, the respective purchase prices and public offering prices, the names of any agents, dealer or underwriter, any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In order to comply with the securities laws of some states, if applicable, the Common Stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the Common Stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

We have advised the selling stockholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholders and their affiliates. In addition, to the extent applicable we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling stockholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

We will pay certain expenses of the registration of the shares of Common Stock pursuant to the Securities Purchase Agreement, including, without limitation, SEC filing fees and expenses of compliance with state securities or “blue sky” laws; provided, however, that each selling stockholder will pay all underwriting discounts and selling commissions, if any and any related legal expenses incurred by it. We will indemnify the selling stockholders against certain liabilities, including some liabilities under the Securities Act, in accordance with the securities purchase agreement, or the selling stockholders will be entitled to contribution. We may be indemnified by the selling stockholders against civil liabilities, including liabilities under the Securities Act, that may arise from any written information furnished to us by the selling stockholders specifically for use in this prospectus, in accordance with the related Securities Purchase Agreement, or we may be entitled to contribution. We have agreed with the selling stockholders to keep the registration statement of which this prospectus constitutes a part effective until the earlier of (1) such time as all of the shares covered by this prospectus have been disposed of pursuant to and in accordance with the registration statement or (2) the date on which all of the shares may be sold without restriction pursuant to Rule 144 of the Securities Act.
